Submitted to His Highness.

These papers relate to the confirmation and allocation of Gazetted Officers in the non-civil Service cadre in the several Departments.

The revised scale provides for 53 Assistant Commissioners (including a reserve of 8) in the Civil Service cadre and 31 non-Civil Service gazetted appointments in the several departments. But in Government Order No. 1867-1918/C.B. 210-23-20 dated 6th February 1925, it has been ordered that 64 of the existing Assistant Commissioners be included in the Civil Service cadre against the sanctioned scale of 53, the excess of 11 being treated as supernumeraries, a corresponding number (in the non-Civil Service cadre) being kept vacant till the supernumeraries are absorbed.

Out of the 31 appointments included in the non-Civil Service cadre, 2 appointments in the Secretariat, 4 in the Comptroller's office, 3 in the Revenue Survey Department and 3 in the Co-operative Department, making a total of 12 in all have already been permanently filled up. Out of the remaining 19 appointments, 11 have to be kept vacant, against supernumeraries in the Assistant Commissioner's cadre and thus there are 8 non-Civil Service posts that can be permanently filled up. The question of filling up these places were considered in Council on the 12th instant when the following resolution was recorded:--

Mr. Muddukrishnappa was given the rank and status of an Assistant Commissioner in November 1918 as Assistant to the Director of Civil Supplies. On the 1st June 1922, he was posted as Assistant Superintendent, Revenue Survey, on Rs. 250 per mem. sem. As he has earned good reports from the various officers under whom he worked and as his case is a deserving one, the Council have recommended that Mr. Muddukrishnappa also may be confirmed as a non-Civil Service Officer.
